CHECKLIST OF REPORTS ISSUED BY THE AGRICULTURAL MARKETING SERVICE[1] APRIL 1956

SPECIAL

With this issue we are including a numerical listing of the publications issued in the Marketing Research Reports series. With future issues we plan to include numerical listings of publications in the other Department series (Farmers' Bulletins, Statistical Bulletins, Miscellaneous Publications, etc.) which have been issued by the Agricultural Marketing Service or preceding agencies whose work is now the responsibility of the Agricultural Marketing Service.

The lists will be set up as separate items or as separate pages in the Checklist, depending on their length, so they can be separated from the Checklist and kept in your reference files.
